The world wide medical community is converging on Miami Beach for the largest and most comprehensive medical trade show in the United States. **FIME healthcare convention** will feature medical manufacturers from all over the globe and if you can find it in a hospital, surgery center, medical laboratory or medical office you can find it at FIME.

**If you were not able to be present at this industry trade show** taking place from August 11-13 **you can find representation for your products** or information on those vendors and specialists present with World Trade Center member 2Medical-europe.

2Medical-europe will be visiting the FIME healthcare convention to meet potential partners and align strategies for Europe. 2MEDICAL-europe is a dedicated partner, managing business value, for special medical products, in the European market channel. 2MEDICAL has been founded by Mr. Maarten Nibbelke, 45, an executive with over 20 years experience in healthcare business.
